

# **NEIL A. MANSON MD FRCSC**

## **Spine, Sports Medicine, and Orthopaedic Surgery**

555 Somerset St, Suite 200 • Saint John • NB • E2K 4X2 • Canada  
506 649 2667

---

### **PROFESSIONAL FOCUS**

To provide excellence in clinical patient care, scientific research, and medical education with a focus regarding:

- Degenerative and deforming pathologies of the spine and complex spinal procedures,
- Minimally invasive surgical techniques and technologies of the spine,
- Sports pathologies of the spine and extremities and optimizing care of the elite athlete.

### **APPOINTMENT**

**Active Staff Physician** August 4, 2006—Present  
Department of Orthopaedic Surgery, Zone 2, Horizon Health Network

**Assistant Professor** January 4, 2008—Present  
Department of Surgery, Dalhousie University

**Assistant Professor** July 12, 2010—Present  
Department of Surgery, Memorial University

## **SUBSPECIALTY EDUCATION**

### **Spine Fellowship**

August 1, 2005—July 31, 2006

Dr An, Dr Phillips, Dr DeWald, Dr Hammerberg, et al, Rush University, Chicago, Illinois

Reconstruction of traumatic, deforming and degenerative spinal diseases in adults and children.

Advanced clinical, surgical, and research techniques.

### **Sports Medicine Fellowship**

August 1, 2004—July 31, 2005

Dr Heidt, et al, Wellington Orthopaedics and Sports Medicine, Cincinnati, Ohio

Dr Colosimo, University of Cincinnati, Cincinnati, Ohio

Team coverage including NFL, NCAA, AHL, junior and recreational athletes.

Advanced clinical, surgical, and research techniques.

## **SPECIALTY EDUCATION**

### **Fellow of the Royal College of Surgeons (Canada).** July 1, 1999—June 30, 2004

Dr Cooke, Dr Stanish, Dr Alexander, et al, Dalhousie University, Halifax Nova Scotia

Residency training in Adult and Pediatric Orthopaedic Surgery. High volume surgical exposure to traumatic and degenerative musculoskeletal pathologies and their treatments.

## **CERTIFICATIONS**

**Diploma of the American Board of Independent Medical Examiners.** American Board of Independent Medical Examiners. 2011.

**Diploma of Sports Medicine.** Canadian Academy of Sports and Exercise Medicine. 2009.

**Doctor of Medicine.** Dalhousie University. 1999.

**B.Sc. Medicine.** Dalhousie University. 1999.

**B.Sc. Human Kinetics.** University of Guelph. 1995.

## **INVITED PRESENTATIONS**

Surgical management of elderly patients considering physiologic age and lifestyle.  
Decompression alone versus decompression and stabilization in elderly patients.  
Foundations in spine surgery. Topic moderator.  
Meeting's scientific co-chairman.

- Today's Realities in Spine Surgery. Medtronic Summer University. Athens, Greece, July, 2014.

Canadian Orthopaedic Research Society. Scientific Paper Session: Spine. Topic moderator

- The Annual Meeting of the Canadian Orthopaedic Association. Montreal, 2014.

Spinal trauma and transfer.

- Maritime Trauma and Emergency Medicine Conference. Moncton, NB, April, 2014.

Spinal fusion to treat degenerative lumbar spondylolisthesis.

- Canadian Spine Society 14<sup>th</sup> Annual Meeting, Symposium on Motion Sparing Technologies. Lake Louise, AB, Feb, 2014.

Minimally invasive treatment of spinal trauma.

- Canadian Spine Society 14<sup>th</sup> Annual Meeting, Instructional Course Lecture on Spine Trauma. Lake Louise, AB, Feb, 2014.

Back Pain. Patient assessment and management in the ER.

- Horizon Health Network Department of Emergency Medicine Grand Rounds. Saint John, NB, June, 2013.

Flexible rod review and clinical results.

- Motion Sparing Technologies Focus Group Meeting. Toronto, ON, May, 2013.

Clinical guidelines for the management of thoracolumbar trauma. Triage to definitive management.

- New Brunswick Trauma Program. Provincial Trauma Grand Rounds. Saint John, NB, November, 2012.

Guidelines to triage and manage thoracolumbar spine trauma.

- The 4<sup>th</sup> Annual Atlantic Canada Spine Meeting. Wallace, NS, October, 2012.

New back surgery techniques. Impact of surgery, recovery, and complications.

- New Brunswick Medical Society Physician Update. Sussex, NB, April, 2012.

Concussion discussion.

- KenVal Rehab concussion information session for coaches and families. Saint John, NB, October, 2011.

The role of databases in the management of degenerative spine patients.

- The 3<sup>rd</sup> Annual Atlantic Canada Spine Meeting. Wallace, NS, October, 2011.

Direct Lateral Interbody Fusion.

- Medtronic Canada. Cadaver surgical technique course. Toronto, ON, October, 2011.

Transient Quadriplegia and Spinal Stenosis.

- Annual Scientific Meeting of the Canadian Academy of Sports and Exercise Medicine. St John's, NL, July, 2011.

Advanced posterior techniques for spinal trauma: Approach to surgical decision making for thoracolumbar trauma.

- 6<sup>th</sup> Annual Canadian Contemporary Spinal Techniques Course. Toronto, ON, May, 2011.

Laminoplasty: indications, experience, results.

- Motion Sparing Technologies Focus Group Meeting. Niagara Falls, ON, May, 2011.

Direct Lateral Interbody Fusion.

- The 2<sup>nd</sup> Annual Atlantic Canada Spine Meeting. Wallace, NS, October, 2010.

Direct Lateral Interbody Fusion.

- Medtronic International. Cadaver surgical technique course at International Minimal Access Surgical Techniques Annual Meeting. Toronto, ON, July, 2010.

Direct Lateral Interbody Fusion and Neuromonitoring.

- Medtronic International. Advances in Spine Surgery: Current Techniques in Minimal Access. Toronto, ON, July, 2010.

Minimally invasive Spine Surgery: Direct Lateral Interbody Fusion and Neuromonitoring as it Applies to Direct Lateral.

- 5<sup>th</sup> Annual Canadian Contemporary Spinal Techniques Course. Toronto, ON, May, 2010.

What is the best clinical scenario for laminoplasty?

- Motion Sparing Technologies Focus Group Meeting. Kelowna, BC, April, 2010.

Decompression and interbody fusion.

- Motion Sparing Technologies Focus Group Meeting. Kelowna, BC, April, 2010.

End level fracture.

- Motion Sparing Technologies Focus Group Meeting. Kelowna, BC, April, 2010.

Flexible rod review and clinical results.

- Motion Sparing Technologies Focus Group Meeting. Kelowna, BC, April, 2010.

Direct Lateral Interbody Fusion: Neuromonitoring.

- Medtronic USA. Cadaver surgical technique course at Spine Arthroplasty Society Annual Meeting. New Orleans, LA, April, 2010.

Minimally Invasive Spine Surgery: Patient benefit or marketing gimmick?

- Sea to Sky Orthopaedic Rounds. Whistler, BC, February, 2010.

Minimally Invasive Spine Surgery: Is it really beneficial to patients or just a marketing gimmick?

- The 1<sup>st</sup> Annual Atlantic Canada Spine Meeting. Wallace, NS, October, 2009.

The rationale for MASTER-D.

- Medtronic Europe, MASTER-D study launch at EuroSpine. Warsaw, Poland, September, 2009.

Selective Nerve Root Injections and Lumbar Disc Herniations.

- Atlantic Health Sciences Corporation Department of Diagnostic Imaging Grand Rounds. Saint John, NB, June, 2009.

Cervical laminoplasty.

- Motion Sparing Technologies Focus Group Meeting. Innsbruck, FL, February, 2009.

Posterior dynamic stabilization.

- Motion Sparing Technologies Focus Group Meeting. Innsbruck, FL, February, 2009.

Posterior dynamic stabilization.

- Motion Sparing Technologies Focus Group Meeting. Innsbruck, FL, February, 2009.

Orthopaedic Surgery and Rheumatoid Arthritis and the Cervical Spine: When is it Safe to Proceed?

- The Annual Scientific Meeting of the Atlantic Provinces Orthopedic Society. Kentville, NS, September, 2008.

Orthopaedic Surgery and Rheumatoid Arthritis and the Cervical Spine: When is it Safe to Proceed?

- Atlantic Health Sciences Corporation Department of Anaesthesiology Grand Rounds. Saint John, NB, June, 2008.

Minimally Invasive Back Surgery.

- The 56<sup>th</sup> Annual Meeting of The Canadian Association of Physical Medicine and Rehabilitation. Fredericton, NB, June, 2008.

Open and Minimally Invasive Techniques for Trauma Applications in the Thoracolumbar Spine: Flexion Distraction Injury and Percutaneous Management.

- 3<sup>rd</sup> Annual Canadian Contemporary Spinal Techniques Course. Toronto, ON, May, 2008.

Evolving Concepts in Spine Fracture Management.

- The Annual General Meeting of The New Brunswick Association of Medical Radiation Technologists. Saint John, NB, April, 2008.

DLIF: Direct Lateral Interbody Fusion

- Medtronic Techniques Forum at the 8<sup>th</sup> Annual Meeting of the Canadian Spine Society. Sun Peaks, BC, March, 2008.

Cervical laminoplasty.

- Motion Sparing Technologies Focus Group Meeting. Innsbruck, FL, February, 2008.

Posterior dynamic stabilization.

- Motion Sparing Technologies Focus Group Meeting. Innsbruck, FL, February, 2008.

Evolving Concepts in Spine Fracture Management.

- The Annual Scientific Meeting of the Atlantic Provinces Orthopedic Society. Saint John, NB, September, 2007.

Balloon Kyphoplasty: Minimally Invasive Treatment of Vertebral Compression Fractures.

- The Annual Scientific Meeting of the Atlantic Provinces Orthopedic Society. Saint John, NB, September, 2007.

ICL Spine I: Adult Spondylodiscitis.

- The 62<sup>nd</sup> Annual Meeting of The Canadian Orthopaedic Association. Halifax, NS, June, 2007.

ICL Spine II: Cervical Spine Fractures and Instability in the Elderly.

- The 62<sup>nd</sup> Annual Meeting of The Canadian Orthopaedic Association. Halifax, NS, June, 2007.

Controversies in Cervical Spine Trauma.

- Atlantic Health Sciences Corporation Trauma Grand Rounds. Saint John, NB, January 2007.

## **SCIENTIFIC CONTRIBUTIONS**

### **PEER REVIEW EXPERIENCE**

Invited abstract reviewer, 10<sup>th</sup> Annual Scientific Conference of the Canadian Spine Society, 2010.

Invited manuscript reviewer, Canadian Journal of Surgery, 2009.

### **REFEREED ARTICLES**

Abraham EP, **Manson NA**, McKeon MD. The incidence of adjacent segment breakdown in polysegmental thoracolumbar fusions of three or more levels with minimum 5-year follow up. *Global Spine Journal*. 2014; 4(2):83-88.

**Manson NA**, Abraham EP, McKeon MD. Transforaminal epidural steroid injections prevent the need for surgery in patients with sciatica secondary to lumbar disc herniations: a retrospective case series. *Canadian Journal of Surgery*. 2013; 56(2): 89-96.

Ford KR, **Manson NA**, Evans BJ, Myer GD, Gwin RC, Heidt RS Jr, Hewett TE. Comparison of In-Shoe Loading Patterns on Natural Grass and Synthetic Turf. *Journal of Science and Medicine in Sport*. 2006 Dec; 9(6):433-440.

McKean KA, **Manson NA**, Stanish WD. Musculoskeletal Injury in the Masters Runner. *Clinical Journal of Sports Medicine*. 2006 Mar; 16(2): 149-154.

Alexander DI, **Manson NA**, Mitchell, MJ. Efficacy of Calcium Sulfate Plus Decompression Bone in Lumbar and Lumbosacral Spinal Fusion: Preliminary Results in 40 Patients. *Canadian Journal of Surgery*. 2001 Aug; 44(4): 262-6.

## PROCEEDINGS and BOOK CHAPTERS

**Manson NA**, An HS. Halo Placement in the Pediatric and Adult Patient. in *Operative Techniques: Spine Surgery*, 2<sup>nd</sup> Edition. Editors: Vaccaro and Baron. Saunders Elsevier, Philadelphia, 2012. P 11-22.

## SCIENTIFIC CONFERENCE PROCEEDINGS

**Manson NA**, Green AJ, Abraham EP. Latent trajectory growth analysis: modelling patient recovery to predict 2-year outcomes following elective thoracolumbar surgery for degenerative pathologies.

- Spine J 2014; \*\*\*
- 29<sup>th</sup> Annual Meeting North American Spine Society, San Francisco, 2014.

**Manson NA**, Green AJ, McKeon MD, Abraham EP. Pain on the brain: is the SF-36 Mental Component Summary enough?

- Spine J 2014; \*\*\*
- 29<sup>th</sup> Annual Meeting North American Spine Society, San Francisco, 2014.

Abraham EP, Green AJ, McKeon, MD, Murray J, **Manson NA**. Decompression and fusion versus decompression with an interspinous process device for treatment of stable degenerative spondylolisthesis: surgical morbidity and 2-year patient outcomes.

- Spine J 2014; \*\*\*
- 29<sup>th</sup> Annual Meeting North American Spine Society, San Francisco, 2014.

Abraham EP, Green AJ, McKeon, MD, Murray J, **Manson NA**. Decompression and instrumented fusion versus decompression alone versus decompression with an interspinous process device for treatment of stable degenerative spondylolisthesis: an analysis of surgical morbidity and patient outcomes.

- Spine J 2014; \*\*\*
- 29<sup>th</sup> Annual Meeting North American Spine Society, San Francisco, 2014.

**Manson NA**, Green AJ, Abraham EP. Elevated patient body mass index does not negatively affect self-reported outcomes of thoracolumbar surgery: results of a comparative observational study with minimum 1-year follow up.

- Society for Minimally Invasive Spine Surgery Global Forum, Miami, 2014.

Hubbe U, Franke J, Senker W, **Manson NA**, Pereira P, Scheufler K. Are minimally invasive lumbar fusion outcomes affected by stenosis? MASTERS-D subgroup analysis.

- Society for Minimally Invasive Spine Surgery Global Forum, Miami, 2014.

**Manson NA**, Green AJ, Abraham EP. Modeling patient recovery in thoracolumbar surgery: an ambispective cohort study with 2-year follow up.

- Society for Minimally Invasive Spine Surgery Global Forum, Miami, 2014.

Abraham EP, Green AJ, McKeon, MD, **Manson NA**. Elevated patient BMI does not negatively affect self-reported outcomes of thoracolumbar surgery.

- The Annual Meeting of the Canadian Orthopaedic Association, Montreal, 2014.

Abraham EP, Green AJ, McKeon, MD, **Manson NA**. Subjective patient outcomes and surgical morbidity in decompression with an interspinous process device versus decompression and fusion for treatment of stable degenerative spondylolisthesis.

- The Annual Meeting of the Canadian Orthopaedic Association, Montreal, 2014.

**Manson NA**, Lam KS. A prospective multi-center observational data-monitored study of minimally invasive fusion to treat degenerative lumbar disorders: complications and outcomes at 1-year follow up.

- *Canadian Journal of Surgery*. 2014; 57(3 Suppl 2):S25.
- Canadian Spine Society 14<sup>th</sup> Annual Meeting, Lake Louise, 2014.

**Manson NA**, Green AJ, McKeon, MD, Abraham EP. Elevated patient BMI does not negatively affect self-reported outcomes of thoracolumbar surgery.

- *Canadian Journal of Surgery*. 2014; 57(3 Suppl 2):S37.
- Canadian Spine Society 14<sup>th</sup> Annual Meeting, Lake Louise, 2014.

Abraham EP, Green AJ, McKeon, MD, **Manson NA**. The effect of smoking on subjective patient outcomes in thoracolumbar surgery.

- *Canadian Journal of Surgery*. 2014; 57(3 Suppl 2):S45.
- Canadian Spine Society 14<sup>th</sup> Annual Meeting, Lake Louise, 2014.

## **CLINICAL AND RESEARCH GRANTS AND AWARDS**

\$18,000 Chesley Research Grant to support the study: Psychological predictors of poor spine surgery outcomes. 2014

\$250,000 St Joseph's Hospital Foundation sponsorship to purchase Operating Room microscope to facilitate minimally invasive and outpatient spine surgery in New Brunswick, 2013.

\$9,780 Health Innovation Research Foundation (Horizon Health Network) research grant to support the study: Accelerometer analysis of total joint arthroplasty versus lumbar fusion to assess in-hospital recovery and safe discharge home. 2012.

\$250,000 St Joseph's Hospital Foundation sponsorship to purchase Operating Room equipment to facilitate minimally invasive and outpatient spine surgery in New Brunswick, 2011.

\$5,000 Atlantic Provinces Orthopaedic Society research grant to support the study: Accelerometer analysis of total joint arthroplasty versus lumbar fusion to assess in-hospital recovery and safe discharge home. 2011.

\$10,000 Health Promotion and Research Foundation (Horizon Health Network) operating grant to support the study initiation: Traditional open versus minimally invasive decompression and fusion of the lumbar spine: an objective biomechanical assessment of recovery. 2011.

\$25,000 New Brunswick Health Research Foundation seed operating grant to support the study initiation: Traditional open versus minimally invasive decompression and fusion of the lumbar spine: a prospective randomized cohort study. 2010.

\$20,000 WorksafeNB research grant to support the study: Selective nerve root injections can prevent the need for surgery in patients suffering from lumbar disc herniations: a prospective randomized blinded trial. 2010.

\$10,000 WorksafeNB research grant to support the study initiation: Selective nerve root injections can prevent the need for surgery in patients suffering from lumbar disc herniations: a prospective randomized blinded trial. 2009.

\$2,500 Health Promotion and Research Foundation Tier I Grant to support successful study completion: Selective nerve root injections can prevent the need for surgery in patients suffering from lumbar disc herniations. 2008.

\$650,000 Rally of Hope Foundation sponsorship to purchase Operating Room equipment to facilitate minimally invasive spine surgery in New Brunswick. 2007.

\$30,000 Nike Sports Research Laboratory research grant to support study completion: Pronation, Shock, and Injury in the Running Athlete. 1999.

\$10,000 Dalhousie University Faculty of Medicine research grant to conduct B.Sc. Medicine thesis: Increased Standing Stability in Anterior Cruciate Ligament Deficient Individuals Via Improved Proprioception. 1996.

## **CLINICAL EDUCATOR**

**Assistant Professor.** Department of Surgery, Dalhousie University, 2008 to present

**Assistant Professor.** Department of Surgery, Memorial University, 2010 to present

Instruction of Medical students, Primary Care residents, and Orthopaedic Surgery residents.

Instruction of ancillary health care students and staff.

Instruction of Spine Colleagues regarding current surgical techniques and technologies.

**Educational Coordinator.** Canada East Spine Centre, 2007 to present.

Development of teaching rounds and case rounds for staff spine specialists and residents (Orthopaedic Surgery, Neurosurgery, Physiatry).

Journal club preparation.

Interdepartmental Journal Club: Clearing the Cervical Spine in Trauma. July, 2010.

Invited departments: Diagnostic Imaging, Emergency Medicine, Intensive Care Medicine, Neurosurgery, Orthopaedic Surgery.

**Educational Coordinator.** Department of Orthopaedic Surgery, Saint John, 2007 to 2009.

Program design and modification, objective creation, creation of evaluation book, workload planning for clinical training of students and residents.

Evaluation and promotion of trainees.

Orthopaedic Grand Rounds organization for surgeon and staff teaching.

**Clinical Instructor.** Medtronic Spine Canada/USA/International, 2008 to present.

- Visiting Surgeon Program. DLIF intra-operative peer training, Ottawa, Canada. May, 2014.
- Direct Lateral Interbody Fusion and Midline Lumbar Fusion. Cadaver surgical technique course for surgeons. Course chairman. Halifax, Canada. November, 2013.
- Direct Lateral Interbody Fusion. Cadaver surgical technique course for surgeons. Sunnysvale, USA. June, 2013.
- Visiting Surgeon Program. DLIF intra-operative peer training, Saint John, Canada. June, 2013.
- Visiting Surgeon Program. DLIF intra-operative peer training, Windsor, Canada. April, 2012.
- Visiting Surgeon Program. DLIF intra-operative peer training, Saint John, Canada. November, 2011.
- Direct Lateral Interbody Fusion. Cadaver surgical technique course for surgeons at North American Spine Society Annual Meeting. Chicago, USA. November, 2011.
- Direct Lateral Interbody Fusion. Cadaver surgical technique course for surgeons. Toronto, Canada. October, 2011.
- Advanced posterior techniques for spinal trauma: Approach to surgical decision making for thoracolumbar trauma. 6<sup>th</sup> Annual Canadian Contemporary Spinal Techniques Course. Toronto, Canada. May, 2011

- Direct Lateral Interbody Fusion. Cadaver surgical technique course for surgeons at Spine Arthroplasty Society Annual Meeting. New Orleans, USA. October, 2010.
- Direct Lateral Interbody Fusion. Advances in Spine Surgery. Current techniques in minimal access. Toronto, Canada. July, 2010.
- Direct Lateral Interbody Fusion. Cadaver surgical technique course for surgeons at International Minimal Access Surgical Techniques Annual Meeting. Toronto, Canada. July, 2010.
- Minimally invasive Spine Surgery: Direct Lateral Interbody Fusion and Neuromonitoring as it Applies to Direct Lateral. 5<sup>th</sup> Annual Canadian Contemporary Spinal Techniques Course. Toronto, Canada. May, 2010.
- Open and Minimally Invasive Techniques for Trauma Applications in the Thoracolumbar Spine: Flexion Distraction Injury and Percutaneous Management. 3<sup>rd</sup> Annual Canadian Contemporary Spinal Techniques Course. Toronto, Canada. May, 2008.

**Clinical Instructor.** Advanced Trauma Life Support, 2009 to present.

### **Educator.**

North American Spine Society; Section on Minimally Invasive Spine Surgery. Committee member. 2013.

Contributing to weekly Orthopaedic Teaching Rounds for residents and medical students.  
Contributing to Saint John Orthopaedics Grand Rounds for surgeons, staff, residents and students.

Annual scientific meeting program committee member for the 4<sup>th</sup> Annual Atlantic Canada Spine Meeting. Wallace, NS, October, 2012.

Annual scientific meeting program committee member for the 3<sup>rd</sup> Annual Atlantic Canada Spine Meeting. Wallace, NS, October, 2011.

### **Recognition of teaching excellence.**

The Socratic Award for Teaching Excellence. Presented to the members of Saint John Orthopaedics by the Dalhousie Orthopaedic Residents. 2011.

## **CLINICAL CONSULTANT**

Clinical and educational consultant for Medtronic Canada. Educational consultant for Medtronic USA.

- Providing education, skills training, and operative guidance to spine surgery colleagues.
- Providing product review and clinical relevance information regarding emerging technologies and existing technologies and techniques.

Clinical consultant for the New Brunswick Trauma Program.

- Providing clinical guideline development for provincial Emergency Departments to ensure safe triage and management of Cervical spine trauma.
- Providing clinical guideline development for provincial Emergency Departments to ensure safe triage and management of Thoracolumbar spine trauma.

Clinical consultant for Halifax Biomedical Inc, Mabou, NS.

- Providing clinical guidance regarding the development of optimal imaging techniques to assess patients with spinal pathologies.
- Member of the Spine Advisory Council.

## **COMMITTEE RESPONSIBILITIES**

Horizon Health Network. Program Quality and Safety Committee: Surgery. 2014 to present.

North American Spine Society; Section on Minimally Invasive Spine Surgery. 2013 to present.

Saint John Orthopaedics. Chair, Medical Quality Improvement Committee. 2014 to present.

Canadian Spine Society. Canadian Spine Outcomes Research Network. Steering Committee. 2013 to present.

Horizon Health Network. Ambulatory Care Committee. 2012-2013.

Horizon Health Network. Smoking Cessation Committee. 2010-2012.

Province of New Brunswick, Department of Health. Surgical Access Committee. 2010-2011.

Safer Healthcare Now. Surgical Site Infection Committee. 2008-2011.

Horizon Health Network. MRSA operating room policy change meeting. 2011.

Horizon Health Network, Zone 2. Research Action Committee. 2009-2011.

## **SPORTS MEDICINE EXPERTISE**

Diploma of Sports Medicine, awarded by the Canadian Academy of Sports Medicine, 2009.

Active Member, Canadian Academy of Sports Medicine, 2007 to present.

## **Team Physician Sports Medicine Experience**

Canadian Alpine Ski Team.

Physician, Speed Camp. Men's and Women's Speed Teams. Colorado, USA, 2014. Cancelled.

Physician, FIS World Cup. Men's Technical Team. Sölden, Austria, 2013.

Physician, FIS World Cup. Men's Speed Team. Kitzbuehl, Austria, 2013.

Physician, FIS World Cup. Men's Speed Team. Garmisch-Partenkirchen, Germany, 2012.

Physician, FIS World Cup. Women's Speed Team. Cortina, Italy, 2011.

Physician, Speed Camp. Men's and Women's Speed Teams. Portillo, Chile, 2008.

Sea Dogs: Quebec Major Junior Hockey League. Head Team Physician. Saint John, 2007-present.

Canadian Sports Centre Atlantic. Elite athlete Orthopaedic Specialist for New Brunswick, 2009-present.

Saint John Wanderers: Maritime Football League. Team Physician. Saint John, 2007-2009.

Cincinnati Bengals. National Football League. Cincinnati, 2004-2005. (Sports Medicine Fellow)

Cincinnati Mighty Ducks. American Hockey League. Cincinnati, 2004-2005. (Sports Medicine Fellow)

University of Cincinnati Bearcats. National Collegiate Athletic Association. Cincinnati, 2004-2005. (Sports Medicine Fellow)

## **Field of Play Sports Medicine Experience**

XXI Olympic Winter Games, Vancouver, 2010.

Cirque du Soleil, Saint John, 2009.

IPC Alpine Skiing World Cup Finals, Whistler, 2009.

Canadian Under 18 Men's and Women's Soccer Championships. Saint John, 2006.

LaSalle Bank Chicago Marathon. Chicago, 2005.

Flying Pig Marathon. Cincinnati, 2005.

Association of Tennis Professionals. Cincinnati, 2004-2005 (Sports Medicine Fellow)

IIHF World Junior Hockey Championships. Halifax, 2002. (Orthopaedic Resident)

XIII<sup>th</sup> Pan American Games. Winnipeg, 1999. (Orthopaedic Resident)
